

# SOME DISCUSSION STARTERS

There's something we've never talked about before and I think it's time we do!

Remember when you asked me about...

Remember when we were talking about...

I found a neat book in the library. Let's read it together!

See the woman over there in the blue dress? She's pregnant. Do you know what that means?

Look at that adorable baby! Did you ever wonder where babies come from?

Let's learn about a new word and what it means. The word is "privacy."

That's correct! Baby chicks do grow inside an egg shell. Human babies grow inside a special place too. It's called a uterus.
