Learning intentions
• Young people know that that consent in the context of relationships is about communication and respect and means asking another person for permission to do something.
• Young people understand the pressures they face in relationships, including sexual relationships.

Success Criteria
• I can explain what consent in relationships means.
• I can explain what sexual consent is.

Education and sex ed in Finland

- Strong public school system
- All elementary level teachers have a masters degree
- One national curriculum where sexuality education and equality are included
- Teachers have a lot of autonomy and the quality of sex ed still varies a lot from classroom to classroom
  - More teacher training is needed
  - Government funding allocated for training programs

All elementary level teachers have a master's degree, and we only have
