Comprehensive means intersectional: moving sex education forward

Justine Ang Fonte, M.Ed., MPH

It's not just about learning what Kimberle Crenshaw taught us. It's about putting it into our everyday practices, lenses, and actions.

Became a teacher in Texas & taught sex ed after seeing how little her students knew about their bodies.

Incorporated social justice principles in her math classes in Hawaii.

May 2022 became the subject of a smear campaign and resigned from her position as health & wellness director.

BUILT A HEALTH PROGRAM THAT INCORPORATED STUDENTS, PARENTS & OTHER STAFF/FACULTY

CO-CREATED RAISED PINAY

HEALING

1. Compassion for our shared oppression
2. Affirmation that my pedagogy is supported
3. Embodying intersectionality as a part of my healing

Sexuality educators are building actual change & our collective strengths is why others fear us.

"Sexuality is taught in all subjects & classrooms & it centers identity, power, privilege, & oppression.

Comprehensive means sexual education is taught in all subjects & classrooms & it centers identity, power, privilege, & oppression.

To realize the full potential of CSE race, class, culture, ability, & socio-economic status must deliberately be woven into curricula, teaching & evaluation.

Goals: Safety, fulfillment & pleasure

Delivering Sex Ed in the Digital Age
